```

The diagram illustrates a header file dependency. At the top is a grey box containing the header file path 'pages/registor/dialogcardconfig.h'. Below it are two white boxes: 'pages/registor/dialogcardconfig.cpp' on the left and 'pages/registor/registorwidget.cpp' on the right. Two blue arrows point from the top of each source file box to the bottom of the header file box, indicating that both source files include or depend on this header.
