

SerialPortThread::run

```
graph LR; A[SerialPortThread::run] --> B[CharStringtoHexString]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is light gray with a black border and contains the text 'SerialPortThread::run'. The right box is white with a black border and contains the text 'CharStringtoHexString'. A dark blue arrow points from the right side of the left box to the left side of the right box.

CharStringtoHexString
