

Sqlite::DeleteRecord

```
graph LR; A[Sqlite::DeleteRecord] --> B[Sqlite::Delete]; B --> C[Sqlite::ExecSQL];
```

A flowchart illustrating a sequence of three SQLite operations. The first box, 'Sqlite::DeleteRecord', is shaded gray and has a black border. A blue arrow points from its right side to the second box, 'Sqlite::Delete', which is white with a black border. Another blue arrow points from the right side of the second box to the third box, 'Sqlite::ExecSQL', which is also white with a black border. The boxes are arranged horizontally and connected by straight blue arrows.

Sqlite::Delete

Sqlite::ExecSQL
