

serialThread

```
graph TD; serialThread[serialThread] -- 1 --> tools[tools];
```

A UML diagram showing a directed association from a box labeled 'serialThread' to a box labeled 'tools'. The 'serialThread' box is light blue, and the 'tools' box is white. A vertical arrow points from the bottom of 'serialThread' to the top of 'tools', with the number '1' positioned to the right of the arrowhead.
