

Sqlite::DeleteBooks

```
graph LR; A[Sqlite::DeleteBooks] --> B[Sqlite::Delete]; B --> C[Sqlite::ExecSQL];
```

The diagram illustrates a three-step process for deleting books from a SQLite database. It begins with a box labeled 'Sqlite::DeleteBooks', which is shaded gray. A blue arrow points from this box to a second box labeled 'Sqlite::Delete'. Another blue arrow points from the second box to a third box labeled 'Sqlite::ExecSQL'. All boxes have a black border and are arranged horizontally.
